Banksy.: You Are An Acceptable Level Of Threat

Synopsis

SEE NEW REVISED 2014 EDITION Published in the USA in October 2014. This 2012 edition is now out of print. The single best collection of photographs of Banksy's street work. Period. *You Are An Acceptable Level of Threat* concentrates on this singular artist's iconic imagery, spanning the late 90s up until NOW. The locations are from around the world (predominantly the UK, US and Europe), and many images have never been seen before. When Banksy started out painting, the political landscape was bleak. Fortunately now, it's ten times worse. As Banksy's cheerfully aggressive political work becomes ever more relevant, this comprehensive tome sets about presenting his art in the context of the era he was responding to.

Customer Reviews

Great mirror cling

Beautiful book for my coffee table

Banksy is fantastic. Even if some of the ideas aren't that "original", their execution is daring and the intention behind them is astounding. It's worth taking a look.

I love him!!!! I will have a dinner with him

This guy should be every citizen's model for how to socially protest. Really makes me hope he

never reveals himself so he can continue doing his good work.

Thought provoking

beautiful book

Cool Book!
