Customer Reviews

When I received the book, the binding looks as though it has been sliced with a box cutter. I am concerned that it will come apart. I do not have the time to send it back because I need it for my class.

required for law school.

Arrived when I needed it as needed

This book was in terrible shape. Very poor quality.

I'm glad my careless nephew finally got this book back to you. I didn't use the book myself. It was for one of my nephew's law classes.
