# Beyond The Fairy Tale: An Appeal For Sexual Purity

## Synopsis

Parents, there's no point hushing the topic of sex. Our pre-teens will see and hear confusing and inaccurate messages about their sexuality, through the media and among their peers. All around them, casual \"hook-ups\" are the new the relational norm. But we can win the hearts of our girls with a message of purity, by bringing the topic out into the light and offering the straightforward answers they need to make informed choices. Dr. Missy Kifetew remembers her own frustration in not being able to find the answers about sex she sought as a young girl. So here she writes with a tone of love, understanding, and honesty, as if penning a letter to her own daughter. In fact, she is. Her desire to equip her own daughter to pursue a sexually pure life inspired this book! In *Beyond the Fairy Tale*, girls will learn about the two basic necessities that prepare them to live sexually pure. They'll see how the beauty of God's creation is reflected in them and in His design for their sexuality. And they'll be equipped to avoid the dire consequences of sex apart from God's plan. Rather than a list of dos and don'ts, this book helps girls understand how and why God is for sex and pleasure—within the safe and loving boundary of marriage he designed. What our girls know and don't know about sex will make a lasting difference in their lives—like the difference between darkness and light. Each chapter includes reflection questions. Parent Guide and Leader Guide are available for download on the author's website, to help strengthen communication with youth on the topic of sex.

A good book.

It is a good book for generation .

I love this book

As a mother of a girl and an auntie of teenagers, I bought this book with an intention; to truly understand what sexual purity is according to the word of God and how I can teach it to my daughter and my nieces. It exceeded my expectations tenfold. Not only it gives the solid foundation of where purity begins and maintained, it has relevant, easy to remember quotes labelled as 'life principles' along with Bible verses that signifies what's discussed clearly and wraps the point home. Real life stories are embedded in the chapters that shade some light to challenges young girls face today. In addition, it is written with a light tone that is flow to read and understand. Oh how I wish I had such a guide when I was younger! Reading this book is going to equip so many girls to proceed with confidence and make an informed decision which in return is going to save them from so much heart ache. For parents, this a great tool to initiate this sensitive yet important subject. It also raises awareness to areas that are important to work on for the healthy development and maturity of their growing kids. I highly recommend this profound, life shaping book that can transform a generation.

This book is written in a very clear and easy way to understand. It contains very valuable information and teaching that can be applied in practical life. Knowledgeable books that are written on sexual purity and the issues surrounding this subject are very few and lacks transparency. This

book provides a very transparent teaching and personal experience of the most important part of sexual issues that most people face, especially teenagers. If u are a parent and want to coach your teenage children in their struggle to manage their sexual desire this book will be a great manual for you. It contains all the steps u need. Very helpful, transparent, and excellently written. I highly recommend it for anyone who is serious about leading a sexually pure life.

I read Beyond the Fairy Tale with deep interest and learned a lot, I mean a lot. The book is written in a clear way that links sexual purity with the Creator of sex. Our generation needs this book more than ever before. While our teens languish to understand the real meaning, purpose and pleasure of sex, this book introduces us to the truth and right way. Read it and you will see how it challenges and changes your thought about intimacy. I recommend this book to anyone who desires to know the truth!! Thank you Dr. Missy!!Highly recommendedÃ¢Â¢Â¢ â Ã¢Â¢Â¢Ã¢Â¢Â¢ â Ã¢Â¢Â¢|.

This book is outstanding tool for the parent who wants to lead her children in the truth of the word of God. As a mother it opens a dialog to discuss with my children on the topic of sexual purity and relationships. Not only that Dr. Missy stress the difference between opposite sex and why God created sex. The body of Christ need this kind of book more than any time. I recommend this book for any parent, churches , and youth ministry leaders.
