Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Just what I was looking for! Manuscript paper in the form of filler paper. I keep a pack of this with me for all my private music students. The lines are not too thin or too thick. They are appropriately printed. The 3-ring holes are a real bonus... keeps me from having to punch the holes. There are plenty of staves on each page. AND, the paper fits into a normal 3-ring binder without having to trim it down! I used to use manuscript books, but there were so many wasted pages. This paper is great!

all fine
