I love everything about Disney & read anything I can! The best books are by Jim Korkis hands down!!

Love learning about Disney, but not as much as being there!

part of the magic is finding the story behind why Disney does things the way they do. They also honor a lot of folks who have contributed to making things magical for all. Fun read and enjoyable!

Very interesting book. More insight into WDW's attractions and resorts. More stories about the history and never-built areas/attractions. Very neat read.

Just love his books, all of them. Thanks for your great work. Hope there are many more to come. Keep it up.

This author does a great job in researching the subject matter. Never writes a dull book when it comes to Disney.

Excellent book with lots of behind the scenes stories and information.

Another great book from Jim. Highly recommend it
