Friendly Whales of Baja [Apr 01, 1987] Nickerson, Roy

Well I am a bit biased...I am Roy Nickerson's nephew, but, being very serious, Roy Nickerson, in my opinion, was the most talented writers of non-fiction (and just plain writing to entertain and inform), that I have ever known. I recommend all the books Roy wrote, particularly "Brother Whale" published by Chronicle Books, his first "hit". It's out of print now but still easy to find. I have to say that Roy Nickerson was not only my uncle, but for me as well as for many, many other people a master of communication...period.
