Front and back of planner are a thin cardboard. Im not anticipating this planner lasting two months, let alone two years.

Calendar was not a bright and cheerful as pictured. Colors are dull and stars are not shiny gold but very dull old gold. Just a little disappointed but it was probably worth the money.

Very nice, also sturdy. There seven pages in the back for writing notes, Quite handy.

It's cute and small, worth its money. The cover feels like cardstock, sturdy. It has about 4 pages for notes in the back, here are a few pictures to help out!

so pretty! and the planner's layout is just what I wanted.

Very nice just wish it was bigger.

product okay but delivery time was unreasonable

Wife's loves it
