Set the Table, a new book by Martingale, comes out just in time for the gift-giving season. There are 11 fabulous designs for table runners from 11 fabulous industry designers. Table runners are a great way to play with colors and fabrics with a minimal investment of time. And who wouldn't want to receive one as a gift? Always make a sample - samples sell! Then host a table runner challenge using the patterns in this book as a starting point. Set a deadline and then display all the entries - they will look dynamic all grouped together. For your display, create table settings around your samples. To highlight table runners as gifts? Simply roll them up and add a coordinating ribbon and gift tag. Now how easy is that? --American Quilt Retailer, September 2013 Choose from 11 eye-catching designs to dress your table to impress. There are both modern and traditional table-runner designs, and all are perfect to give your dining table a lift. The finished projects also make great gifts. --Australian Quilters Companion, November/December 2013

Talented quilters bring a smorgasbord of exciting designs to the table! Choose from 11 table runners ranging from modern to traditional--a great value. Make gorgeous gifts.

This new book has patterns for 11 Table runners from some of the hottest designers in the Modern Quilting Blogosphere. "Set the Table" is full of beautifully photographed patterns and engaging ideas. Directions are excellent with plenty of full color diagrams to help the sewist. One feature I especially like are the added hints about color and design. The gift giving season is fast approaching, this book is full of quick ideas to please everyone on your list but first make one for yourself to enjoy!

i quilt a lot and wanted to make something other than a big quilt; this is a good book to try some new patterns and practice your free motion quilting. i also found that it was pretty easy to adjust the patterns and turn them into new ideas. check the measurement instructions, some are not accurate and you'll end up with a different sized table runner

not worth it uninteresting designs

many different pattern

I can hardly wait to start a couple of these projects. My church is in need of the yellow one with the white crosses on it for the alter table.

This is the perfect book for table runners. So many pretty patterns and the instructions are clear and easy to follow. Any quilter would benefit from this book.

Planning to make reversible table runners for my daughter for Christmas. Perfect book to fit the bill.

I liked the table runners. The book explains how to make them all, very well.
