This is the only swear word coloring book I have and I like it. I only have 2 complaints. 1) the paper is thinner than I like and 2) I wish there was more detail to color. Some of the words are obviously sayings from other countries but I don't mind that because you get the meaning. There aren't any inappropriate/offensive words or phrases as I've seen in a few other books. Overall I like it and would recommend it. The paper is suitable for colored pencils or crayons but I wouldn't recommend

markers or watercolors unless you put something under it because it will bleed through.

It's pretty good. Some of the pages are not as full of design as I'd like. My boss loved it though, and it was a gift for him!

I love the adult coloring books, and when I found out there was one out there that was of swear words, I was stoked! I am so happy to see such a light hearted book!!! I am a "sailor" and this is perfect for me. When you are having one of those days and you need some relief, this is a good stress reliever! Thank you!

Absolutely hysterical! Excellent price. All my friends want to order some after seeing mine!

Really fun gift, my friend loved it!

Got this for my friend. She has a potty mouth. She also has 5 children that make her use her potty mouth. I figured it would be a great way for her to occupy herself and relax after a long stressful day. She is going to crack up. But she will also enjoy every single page.

Gave as a birthday gift to my adult daughter and she loved it!

Exactly what it says it is. Who would not want to color in these swear words. Some are not really swears, at least not by my standards, but well worth the price or the joy and laughs of coloring these pages in
