Loved this book as an Orphan Bride looking forward to a family answering an advertisement for a Bride and a man looking to marry, start a family things happen to put everything on hold. The girls

friend died just after giving birth asking her to take her child, the man had found a baby on his doorstep saying it was his. After this happened to them they were going to keep the babies together. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful duo of authors who keep me entertained throughout the entire book.

This book has been the most unusual Amish book I've ever read, but I thoroughly enjoyed reading this novel. It is well-written and touched my heart. The authors did a fabulous job showing each character's faith and love. I highly recommend reading this book. This book is one you would not want to miss reading. I received a complimentary copy from the publisher. This review is one hundred percent my opinion.

Abigail was an orphan who was going west to be a mail order bride. Jacob wants her to wed him. They have a lot of surprises along the way the will have you smiling and worrying with them. A great book to read.
