Be My Princess: A Billionaire And Virgin Romance

Synopsis

I needed an assistant like that; hot tempting and willing to please. Her innocence was intoxicating and I had to have more. I was going to be her first and her last. I lived by rules and rule number one was don't let women get to me. Stacy got to me. My life was a dream. I had more money than I could ever spend. A hot model every night to suck me off. My business kept my heart pumping. I had everything that a man could ever want. Then I saw a college buddy that I hadn't seen in several months. He was married and smiling like an idiot at his new wife. I was never going to be like that. No woman was ever going to change me. Not me. Enter Stacy Growler and everything changed. She wasn't like most women I met. She told me no. Stacy was clear that she wasn't interested. It should have stopped me. But it just made me want her more. I want her to be the princess of my life. Her innocence a drug and I was now an addict. I wasn't going to rest until I had Stacy underneath me. Until she was screaming out my name in that sultry little voice of hers. Customer Reviews

Another great read by Lauren Wood about a playboy billionaire, Chris, who doesn't understand why his good friend, Keenan, changed for a woman until he meets Stacy. Stacy is Keenan's assistant and she completely ignores Chris's advances and he is stumped but Stacy is strong and doesn't fall for his charms. But he wears her down and after their steamy night she disappears and no one knows where she went except her aunt who refuses to tell Chris since she knows him and what he is like. A great read with steamy scenes and I loved how strong Stacy was throughout it all and didn't give in until she was ready and how Chris changed. I didn't agree too much with the aunt and Chris's history and I was hoping for an epilogue but otherwise a great read that I couldn't put down because I wanted to read all the different times she refused Chris...which I LOVED.*I voluntarily reviewed an ARC of this book*

Stacy is in college studying business and has accepted a position for the summer as Keenan's personal assistant. Chris is a billionaire playboy who has never found a woman that he wants to spend more than one night with so he doesn't understand why his friend Keenan chose to get married and reduce his work levels. Chris and Keenan decided to go to a conference and Keenan brings Stacy along. When Keenan receives a call from his wife about an appointment for her pregnancy he decides to head home and leave Stacy in his place. Chris is more than happy with the change in plans as he would like some one on one time with her however she rejects his advances as she has no interest in a one night stand but will he be able to convince her to change her mind? I liked the banter and chemistry between the two. I voluntarily reviewed an Advanced Reader Copy of this book.

I have to say this was by far my favourite Lauren Wood story to date. I really liked Stacey, she was a great character. I like how even though she was extremely attracted to Chris she held her ground and didn't fall into bed with him right away. She really made him work for her affections. I like how she thought things through and didn't make rash decisions, she knew Chris' reputation and was careful with the choices she made. I like how once Chris met Stacey he was 100% devoted to her, even if he didn't always understand his feelings. The only issue I have is I wish the end had an

epilogue to it. I don't know if the finished product has one but I was gifted an arc copy and there was no epilogue. That would have finished the story nicely. I thoroughly enjoyed this sweet and sexy story!! voluntarily read an arc copy for my honest review!

I voluntarily reviewed a copy of this book the storyline was well written Keenan and Chris were best friends and Keenan had changed since he got married to Ashlyn something that Chris says he never wants he's a womanizer just like Keenan use to be until he met Ashlyn she was his one and only. Chris and Keenan took a trip to Jamaica with Keenan's assistant Stacy she was Ashlyn's neice and Chris had the hots for her but Stacy-Deanne is very leary of his type one and done she wasn't interested in that she wanted a commitment. Stacy was a virgin and wasn't just going to give it up for a one night stand even though she was very attracted to Chris. This is a must read a roller coaster ride of emotions, conflict, drama, some very hot steamy sex scenes, a surprise that Stacy wasn't expecting you have to read to see if Chris and Stacy get there HEA and I hope there'll be an extended epilogue cause it did seem like the story should have ended quite the way it did there felt like there should be more loved the characters and how Stacy made Chris to work to get them together not like his other conquests you will enjoy this read I highly recommend.

Another wonderfully written book by Lauren Wood. She is quickly becoming one of my favorites. Stacy needs this job for the summer, so when her first experience is dealing with a drunk person on the beach, she starts to rethink things. The next morning she finds out that the drunk is her boss's friend and the person they were supposed to have breakfast with. Chris is a one and done kind of guy, but when he sees that Stacy is going to be different, his way of thinking soon changes too. All weekend feelings, and thoughts change but they both know nothing will happen after this weekend. Then he starts showing up everywhere she is, and she has no choice but to give in to her feelings. One perfect night of passion, and she leaves the state for the next two months. When she comes back with a baby growing inside of her, he has to prove that he won't be going anywhere and that he really does love her. I really didn't like her aunt getting in the way and keeping them apart though. I absolutely loved this book. I voluntarily read an Advanced Reader Copy of this book.

Player Chris is disgusted with his longtime friend and the fact that marriage had changed him so much. Chris so that no woman would do that to him....until he met Stacy. Stacy just wanted to work her jobs and go to school. She was not interested in a played like Chris. She want to meet "the one" and have her love of a lifetime. Chris realized that to win Stacy he had to change whilst Stacy

realized that she had to take a risk to have her HEA. A good read. All the emotions, a peak into the after life of Keenan and Gemma from Be my Bride and a player trying to find his way in this thing called love.
