Historical tradition, recipes, holiday games and interactive projects are presented in lively fashion in this celebratory compendium. Ages 8-12. Copyright 1991 Reed Business Information, Inc.

I can't believe I came across this book online! My grandmother gave this to me as a gift when I was around 8 or so (over 20 years ago). While I am not Jewish, I distinctly remember how much I loved this book and learning about another cultural group. I even made my own dreidel and played with it with my friends and my mom helped me make some of the recipes in the book!
