# Rock Climbing New Mexico (State Rock Climbing Series)

## Synopsis

The superb crags of New Mexico beckon climbers from all over the world. Stunning alpine and desert scenery, high-quality rock, no crowds, and year-round climbing are but a few features that draw climbers to places like Cochiti Mesa, Socorro's Enchanted Tower, and the Tres Piedras Rocks. Rock Climbing New Mexico is the only climbing guide that covers all the major climbing areas in the Land of Enchantment. It included hundreds of routes ranging from 5.6 to 5.14, appealing to both traditional and sport climbers. This guide includes first-hand information for area overviews and climbing histories, route betas and topos, detailed location maps and photos, as well as recommendations for equipment, and information for approaches and descents. Rock Climbing New Mexico is an essential tool for planning your next climbing trip.

## Customer Reviews

For more than twenty-five years, FalconGuide® has set the standard for outdoor recreation guidebooks. Written by top outdoors experts and enthusiasts, each guide invites you to experience the endless adventure and rugged beauty of the great outdoors. Rock Climbing New Mexico points you to more than 1,000 sport and traditional routes of all degrees of difficulty. Expert climber and local guide Dennis R. Jackson shares his extensive knowledge of the best ascents in New Mexico, with its high-quality rock, lack of crowds, year-round climbing, and stunning desert and alpine scenery. This guide features: Guaranteed binding – if this binding fails, the publisher will replace the book for free Pitch-by-pitch written descriptions, ratings, and recommended gear Detailed

topos and clear overview photos  
Easy-to-follow driving and approach directions  
Tips on camping, food, climate, and more

Dennis Jackson (Taos, New Mexico) is a professional guide and outdoor educator. He is a member of the professional staff of the Rocky Mountain Field Institute and the Kent Mountain Adventure Center, and is president of Challenge Designs, an outdoor consulting and instructional company.

Purchased for my son in law. He said it is a great book with a lot of information for the rock climber in your family.

I cannot recommend this book highly enough. The descriptions of different regions of this vast state make this a good, general, stand-alone, outdoors-y guide to New Mexico for anyone interested in climbing/hiking/camping/etc. Crag access routes are clear and detailed. The climbing history of different crags is a fun bonus. Thorough beta on climbs, from easy sport climbs to multi-pitch trad. Also appreciate the fact that he clearly mentions classic climbs that are not bolted "due to local consensus" and such. The book itself is of excellent quality. Stout, durable, laminated cover with a lifetime warranty on the binding. It holds up well to the normal abuse that any climbing guide endures.
