For over 80 years, Fodor's Travel has been a trusted resource offering expert travel advice for every stage of a traveler's trip. Our books make it possible for every trip to be a trip of a lifetime.

Up to date, generally comprehensive. Would include availability of trams and guided tram tours (that are very limited, have a fee, and some require prior reservations) in several botanical gardens. With limited time, this provides a much broader view of these spectacular places. Note: this book is heavy; you may want to tear as you go.

Visiting a new place is hard enough without knowing what activities, hotels, and restaurants you should visit. This book does it all and I now feel more prepared for my journey in December 2016.

Very comprehensive!

Arrived as promised. We had the same guide checked out from the library and realized we needed our own copy. This is great!

Interesting travel book! Hope it will be very useful during our trip to New Zealand!!!!
