America: A Concise History, Volume 2

Synopsis

Known for its interpretive voice, balanced analysis, and brief-yet-comprehensive narrative, *America: A Concise History* helps students to make sense of it all while modeling the kind of thinking and writing they need to be successful. Offering more value than other brief books, *America* is competitively priced to save your students money, and features built-in primary sources and new ways of mastering the content so your students can get the most out of lecture and come to class prepared. The sixth edition rolls out Bedford/St. Martin's new digital history tools, including LearningCurve, an adaptive quizzing engine that garners over a 90% student satisfaction rate, and LaunchPad, the all new interactive e-book and course space that puts high quality easy-to-use assessment at your fingertips. Easy to integrate into your campus LMS, and featuring video, additional primary sources, a wealth of adaptive and summative quizzing, and more, LaunchPad cements student understanding of the text while helping them make progress toward learning outcomes. It's the best content joined up with the best technology. What's in the LaunchPad

Customer Reviews

James A. Henretta is a Professor Emeritus of American History at the University of Maryland, College Park. His publications include "The Evolution of American Society, 1700-1815: An Interdisciplinary Analysis

It's a pretty solid textbook. Don't expect to go too far in depth, but it does give a solid foundation for anyone wanting an introductory textbook about U.S. history from 1865 - Present.

I'm a history buff so naturally I loved this book! Helped me in my summer college history course!

Perfect - everything was perfect.

Great material and well written, however, unable to take advantage of other study materials that the inside cover says are available by logging into another web site.

I bought it for a class but I found it very interesting. Contained a lot of history and got its job done

It was for school. The book is well written and I learned a lot about the history of America thanks to it.

Great reading! I am learning more things that happened in U.S. History that I didn't know.

It is only half the book.
