Customer Reviews

I've always enjoyed solving brain teasers and logic puzzles, and I still keep some of these books in the family vehicle. Of course interactive books on my ipad are so much better. This book is fun and very challenging at times. There were a few brain teasers that I knew, but several that I had never heard of! Overall it was a good mental exercise.

I create things, and sometimes you need to jog your mind. Your creative well can run dry without any ideas. This was more so neuroplasticity to me. I figured out a few riddles by reading the riddle,

and finding the obvious answer, ergo what was Mary's mom's last child's name. Many of them got me like what does every house have. I'd say a wall, but in this day and age, the answer is debatable, overall, a mind twisting few hours. Entertainment's job.

This is a a very interactive book that will help you jog your mind and be creative. It has very good brain teasers and riddles some of which are easy to analyze and some that need one to think and be creative. The book is awesome as it also provides hints and finally gives you the answer of the riddle and this makes it easy for you. It is a good book for the kids as well as adults as this book is very intelligent to make tour mind very active and creative. A very nice book. Good job by the author.

For an 8 year old. Maybe 7. One simple question per page is NOT "interactive riddle, brain teaser". Going to return this.

I liked this one. Plenty of good riddles. Only 1 aggravated me with the answer. I read another before this one and it lasted about 20 mins. This is one worth the cost.

I loved this riddle book but I would love it to be a bit more challenging , because a few of these riddles are just simple thinking. But the rest are extremely well thought of. I have heard some of the riddles before but most of them are new ones that I was able to test on my family and friends. I would definitely reccomend for othes

The kids at school love these! They could be a little more challenging though.

Fun book, our entire family really enjoyed this
