Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

The paper is a bit light weight, and the staff lines are a good, legible black. Definitely not as nice compared to the Clairefontaine manuscript paper, which has subtle off-gray colored staffs and thicker, smoother, more durable paper. Still, the size of these manuscript paper wire-bound notebooks is very convenient, and for such a great price it's hard to complain!

Much smaller than I anticipated, but great staff size (and I compose) for me to write notes in. Also, I don't have to lug around a huge sketchbook as much. The smaller, neat format seems to inculcate neatly written music.

Daughter uses for piano lessons. Her needs are simple. Paper seems to be good enough stock.

All Carta products are wonderful, but this 6-stave book is excellent for young students, and the paper is of very good quality.

If you want a half-size (6 stave) blank music book, don't look anywhere else. Oh, and don't leave it on the floor, like one of my music students.

Exactly what I expected it to be, very useful - except for the part where I keep losing it, but that's my fault.
