# The Boston Tea Party

## Synopsis

More than any other event, the Boston Tea Party of 1773 has come to stand for the determination of American colonists to control their own destinies. From the arrival of the ships full of controversial taxed tea in Boston Harbor, through the explosive protest meetings at the Old South Church, to the defiant act of dumping 226 chests of fine tea into the harbor on December 16, Freedman captures this exciting story. Source notes, a bibliography, a time line, an afterword, a historical map, and index.

## Book Information

Paperback: 40 pages

Publisher: Holiday House; Reprint edition (September 1, 2013)

Language: English

ISBN-13: 978-0823429158

Product Dimensions: 8.2 x 0.4 x 11 inches

Shipping Weight: 4.8 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars 3 customer reviews

Best Sellers Rank: #253,773 in Books (See Top 100 in Books) #91 in Books > Children's Books > Education & Reference > History > United States > State & Local #187 in Books > Children's Books > Education & Reference > History > United States > Colonial & Revolutionary

Age Range: 8 - 11 years

Grade Level: 1 - 5

## Customer Reviews

Gr 3-5-Freedman tackles the Boston Tea Party with his characteristic energy and rigor and provides a gripping account of the nation-defining episode. He starts with a lucid, two-page introduction offering historical context-not stopping to get bogged down in the details of the Stamp Tax and its ilk-before he vaults into his story with a promising opening that mixes fact and suspense. From that page forward, he weaves together meticulously sourced quotations and information with engaging personal details to effectively enliven the tense, silent act of rebellion. Along with the usual heroes of the Revolution-Samuel Adams, Paul Revere, etc.-Freedman presents the actions of young men such as a rope-maker's apprentice who snuck out a window to join the mob and the mason-in-training who detoured to the protest on his way to a date. These charming and enlightening particulars, including many direct quotes, lend immediacy and emotional weight to the

account, told in an effective but surprisingly casual tone. Freedman's absorbing and informative story is somewhat underserved by Malone's illustrations. A rich, earthy palette and period details, even with an occasional spark of humor, can't quite overcome the static feeling of the pictures, which resemble watercolor renditions of an American history diorama with their stiff-armed figures and blank faces. Fortunately, Freedman's text proves lively enough for both. Back matter includes a note on the importance of tea in colonial American life. --Robbin E. Friedman, Chappaqua Library, NY

**\*Starred Review\*** After two introductory pages succinctly explain the historical background of the Boston Tea Party, including the protesting colonists' view of taxation without representation and the tea tax in particular, the curtain rises on Boston in 1773. The arrival of the Dartmouth, a merchant ship carrying tea, sparks an emergency town meeting of colonists, who vow that the tea will not be brought ashore. Governor Hutchinson insists that the tea must be unloaded and tax paid. As the deadline approaches and negotiations fail, a number of citizens disguise themselves as Mohawk Indians, board the ship, and dump the tea into the harbor. Quotes from participants and observers (several colonists, a mate aboard the Dartmouth, and Admiral Montagu) bring a sense of immediacy to the clearly written narrative. Lively vignettes include the story of Peter Slater, a 14-year-old apprentice locked in his upstairs bedroom that night for his own safety. Sliding down a rope made from his bedding, he blackened his face, boarded the ship, and recognized his employer among the "Indians." Malone's distinctive watercolor paintings dramatize events in a series of beautifully composed tableaux, notable for their dramatic low-light effects and subtle shading. Informative and well documented, this handsome picture book offers a memorable account of the Boston Tea Party. Grades 2-5. --Carolyn Phelan --This text refers to the Hardcover edition.

A beautiful book - 5th graders loved it.

Tracing The Boston Tea Party, an act of defiance on the part of Boston colonists, against the British taxation of tea, this picture book for older readers, ages 7-10, brings colonial history to life. From the arrival of the Dartmouth, a merchant ship, to the meeting at Old South Church, and the dumping of actual tea, this picture book examines the first steps taken toward the Revolutionary War.

This is a spectacular book that shows the Boston Tea Party along with full color illustrations. Perfect to help children visualize the turning point that led to the American Revolution. In his classic style, Russell Freedman blends engaging content with historical accuracy making this a wonderful resource for teachers and parents alike.
