# Business Credit Decoded

## Synopsis

Business Credit Decoded is an insider's guide on how to build an exceptional business credit score and profile for any business. This book will reveal how a business owner can be approved for tens-of-thousands of dollars in revolving credit cards and credit lines. Plus, this special book reveals how business owners can secure large amounts of cash funding for their business without a personal guarantee required from the business owner. Learn the insider secrets of the business credit world and be approved for more money than you have ever imagined before
