Southern Living Florida Focus section:... exactly what I needed when I moved to Jacksonville! What an awesome idea and a great resource for families on the First Coast. With so many free places and discounts offered, the book more than pays for itself. I would highly recommend it for anyone living in or visiting our area. --Jill Schmidt - Jacksonville resident

The book arrived with a mark reading "display copy" obviously done with a marker pen. I tried my best to remove it, most of it came off. Who wants a gift looking like that?

There are lots of good ideas in this book! I bought the book as "used", but it was like brand new.

When we moved to Jacksonville with our two children a new neighbor gave this to us as a gift. What a great book!! It lists everything you could ever want to do with children. This book could keep you busy the whole year! A MUST buy for anyone new OR old to the area!
