Nigger

Synopsis

“Powerful and ugly and beautiful” a moving story of a man who deeply wants a world without malice and hate and is doing something about it. • The New York Times “Good evening, ladies and gentlemen. I understand there are a good many Southerners in the room tonight. I know the South very well. I spent twenty years there one night.” “Last time I was down South I walked into this restaurant, and this white waitress came up to me and said: “We don’t serve colored people here.” “I said: “That’s all right, I don’t eat colored people. Bring me a whole fried chicken.” “About that time these three cousins come in, you know the ones I mean, Klu, Kluck, and Klan, and they say: “Boy, we’re givin’ you fair warnin’. Anything you do to that chicken, we’re gonna do to you.” “Remember, boy, anything you do to that chicken, we’re gonna do to you.” So I put down my knife and fork, and I picked up that chicken, and I kissed it.”

Customer Reviews

Dick Gregory was an American civil rights activist, social critic, writer, entrepreneur, cultural icon, and comedian who first performed in the 1950s. He is the author of more than a dozen books, most notably the bestselling classic *Nigger: An Autobiography*. He died in 2017.

Brilliant man! Full of life lessons.

Wish I read it when he was alive. Helped me gain an understanding of how he thinks and of course what he went through in his early life to make him who he was. RIP Dick Gregory

Great read

Nice

I have must respect and admiration for Dick Gregory! This is a must read. A powerful story that touched my heart.

Amazing book especially after watching him on Youtube. Very interesting book for any one wanting to be sincere. Buy with Confidence.

I enjoyed reading about Dick Gregory's childhood and the values his mother taught him that he carried into adulthood. A strong sense of humor and a strong sense of civil rights. He had a difficult life but his future was foretold and turned out true.

This book should be required reading for everyone! Just from an historical perspective, it's amazing and incredibly informative, but Gregory's humor, courage, perseverance, and insights also make the book an thoroughly amazing and compelling read. Buy this book. Read this book. You'll be glad you did.
