SUE FLIESS is a master at writing engaging stories for preschoolers. She penned ROBOTS, ROBOTS EVERYWHERE! (Fall 2013) and HOW TO BE A PIRATE (Spring 2014) for Little Golden Books. NIKKI DYSON recently illustrated Sue Fliess' HOW TO BE A PIRATE Little Golden Book (Spring 2014). She has also done illustration work for American Greetings, Hallmark, and Usborne Publishing.

Golden Books can be tricky because there's such a broad range in their prose. How to Be a Superhero is definitely on the youngest end of the spectrum, a good adjacency to Big Heroes! and Flower Power!, with just one to two sentences per page. This is perfect for those littlest superheroes who are getting into comics but don't necessarily have character affinities

yet. How to Be a Superhero chronicles Captain Mighty stopping crime and a young boy who wants to be like him. So Captain Mighty asks the boy what his super-powers will be, they go through a quick list of "fly or fast" "quills or webs" etc, and when Turbo Troll attacks the mayor, the boy saves the day and becomes the Silver Cyclone ("cyclone", btw, the most difficult vocabulary word in the book). Now any kids older than about 5 are going to want to know where the super-powers come from, and why plodding through a laundry list suddenly makes the boy a superhero, but these aren't questions most 2 - 4yo's will ask, which is who this is geared towards. It's not the most amazing or engaging story, and it's unlikely to be a favorite for long as your little ones grow into more interesting characters, but for that snapshot in time, like first steps or first words, this first superhero book is perfect.

I bought this to give to my 5 year old grandson for Christmas. He is going to love it!! The story is written in a rhyming fashion and it is just the cutest story. I think after its read to him a few times, he will be reading it on his own in no time at all. I highly recommend this book for any child who wants to be a superhero!

I don't do birthday cards because they're a waste so I always get a book and make it my card (because it's basically the same prices as a poorly written card anyway!) This one was PERFECTLY for a 2-year old, newly promoted to big brother! Went perfectly with the set of superhero capes and masks I got him as well! And the story and rhyming is darling as well!

I picked this up for my daughter and we really enjoy reading it. She has brought to me a couple times now to read it to her. She is five years old and has recently discovered a love of all things superhero. Highly recommended for this age group.

Adorable story about a little boy's quest to become a superhero. No real bad guy images (except some benign robbers) and the rhyme is adorable, graphics nice. My 2 1/2 year old liked it as did my 4 1/2 yr old.

My 3/4 yr old boy LOVES this book! Nothing too scary or ugly about it. It's a Little Golden Book- can't go wrong!
