Customer Reviews

Grade 5-9-A competent, up-to-date look at this Central American nation. Following introductory chapters on the geography, history, and government, the clearly written book focuses on contemporary life. The economy, population, religion, leisure activities, holidays, indigenous and ethnic groups, and rural and urban lifestyles are all covered. The devastating human and economic toll Hurricane Mitch took on the country is also discussed. Framed, often lengthy sidebars provide additional information on a variety of topics such as women as a political force, unwritten languages, and popular folktales. A quality, full-color photograph appears on almost every page. A map concludes the volume.Daryl Grabarek, School Library Journal Copyright 1999 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

I read this book to learn about the people and cultureof Honduras. It was very very informational andwell rounded. I was very pleased with this book asa cultural reference tool.

Excellent information and photos. I bought this book for my child's research project and she love love loved it! I even started reading it, and I couldn't put it down. Pages of comprehendable

vocabulary for anyone over the age of 9. 100% excellent!
