Synopsis

Conversational Spanish: Intermediate Collection Three Get fluent fast with Fluent Penguin language learning tools. Designed for self-taught language learners, Fluent Penguin picks up where Pimsleur and Rosetta Stone leave off. By exposing you to a wide variety of translated conversations in everyday situations, Fluent Penguin builds your vocabulary and intuitive recognition of grammar, sentence structure, and idiomatic phrases. Modelled after the proven and effective Pimsleur method of language learning, Fluent Penguin conversational collections employ context-driven recall techniques to help you anchor new vocabulary and phrases to the situations in which you will use them. All lessons are in audio format, and use subtle repetition and meaningful associations to maximize retention of new information. Each collection consists of conversations about common topics, ranging from work scenarios to current events, leisure activities, and travel. Each statement in a conversation is first narrated in English, then spoken by native voice actors in a variety of Mexican, European, Central, and Southern American Spanish accents. Time is provided after each statement for you to repeat aloud and hone your pronunciation. Conversation lessons are approximately 25 minutes in length. The following conversational topics are introduced in Conversational Spanish: Intermediate Collection Three: History New In School Pets Shopping Swimming School

Customer Reviews
