Customer Reviews

YA--Jim Morrison's greatest wish was to be known as a poet and it is in this light that an admiring Sugarman places him. He includes published interviews and magazine articles that both extol and explain the band's music. The complete lyrics, including some sections expunged from the recorded versions, are presented chronologically. The volume includes 50 black-and-white photos plus 25 in full color. The Doors attempted to push music and mankind to new bounds, new ways of seeing and feeling life. It should come as no surprise then, that references to death, sex, and drugs abound. Copyright 1992 Reed Business Information, Inc.

If you like to write...the poems in this are unique. He will inspire aspects that no other poet has touched on.

This songbook has all the lyrics from the Doors songs, plus great photos. Added material on the Doors is a bonus. I bought 1 and bought another for my daughter. This is a treasure!

Great!

I can't believe, I REFUSE to believe, that this book is not in print. Out of all the Doors rehashed drunken Jim tales and bad poetry insights (with a few notable exceptions), this was the best Doors book around. This is where Jim's poetry, prose, attitude and expression developed, improved and kicked rear in the whole world: HIS MUSIC. The lyrics are the best writing of Morrison hands down. I'll take Moonlight Drive or The End or Indian Summer or End Of The Night over anything in that Lords and the New Creatures book anyday! Bring this one back, publishers! NOW!
