Quilty Fun includes complete instructions for her incredibly popular Bee in My Bonnet Row Along quilt, along with 10 brand new coordinating projects! This book is jam packed with over 100 pages of projects, tips and inspiration to use all around your home, and the book is spiral bound to last use after use. Lori's exciting designs in her first book, Quilty Fun, will fill your home with beauty and fun for a lifetime.

I do not know about this book right now. My quilting group is going to do this project this year and I decided to do it. I have found one thing, right off the bat, and that is the writer did not tell you how many yards of colored fabric you need to do the blocks. It tells you how much background, border and backing, but just says scrapes for the colored parts of the block. I am not a scrappy quilt person, so I do not have scraps. Since quilt shop grade fabric is so expensive, I am going to plan on 4 yards and hope that will be enough.

Another great Lori Holt book

Love, love, love the patterns in this book and appreciate having directions for different block sizes.

Love Lori Holt & her quilts.

Pricey, but a good book.

Book is okay. I prefer Vintage Farm Girl. Book was handled rough in shipping. Bent and heavily creased. Spiral binding smashed.

Looks like a fun book but takes some studying to figure out the directions

Very easy to follow instructions. Even if you are a beginner there is something for you in this book.
