# Curacao For 91 Days

## Synopsis

Mike and Jürgen gave themselves three months to explore the small Caribbean island of Curaçao, and came away with some unforgettable memories and photographs. This book is a collection of their anecdotes and adventures from the island, as they tried to live like locals. 91 days was enough time to explore this small country thoroughly; Mike and Jürgen checked out almost every beach, visited the colonial Landhuizen and ventured out on a few hikes. Packed with helpful advice, restaurant tips, insights into the culture, and beautiful full-color photography, this book is a must for anyone planning a trip to Curaçao!

## Customer Reviews

This is an amazing, complete guide of Curacao! We love to explore the island for its beautiful beaches, but cannot wait to go back for everything we missed. An absolute must read for anyone visiting!

We had been To Curacao 2 years ago. We returned this year and as we had done all the super touristy things - we wanted to explore the island more. Michael and Juergen's book was the perfect

reminder for us of what we still hadn't yet experienced. Filled with great stories, images and not so obvious places to visit this became our bible over the past week. Thanks again for helping shape our amazing holiday. And thanks for showing us where to find the turtles. It literally made my Christmas. :)

This is the complete guide to Curacao. From the best dive shop to the best sightseeing attractions. This guide does not only show the typical tourist places but is also full of hidden parks, beaches and monuments. Read this guide before you go to Curacao!!!

great book, just what i needed to prepare for a trip to curacao.....in particular was looking for eating/beach spots that wouldnt be too touristy and they listed several.
