Homicidal Psycho Jungle Cat: A Calvin And Hobbes Collection

Synopsis

Calvin and Hobbes are at it again, and this time, our irrepressible friends are taking a walk on the wild side. Homicidal Psycho Jungle Cat chronicles another segment of the multifarious adventures of this wild child and his faithful, but skeptical, friend. If the best cartoons compel readers to identify themselves within the funny frames, then all who enjoy Calvin and Hobbes are creative, imaginative, and ... bad, bad, bad! Calvin, the irascible little boy with the stuffed tiger who comes to life are a pair bound for trouble. Boring school lessons become occasions for death-defying alien air battles, speeding snow sled descents elicit philosophical discussions on the meaning of life, and Hobbes' natural inclination to pounce on his little friend wreaks havoc on Calvin's sense of security. Calvin's the kid we all wish we'd been. Sassy, imaginative, far more verbal than his parents can manage, Calvin is the quintessential bad boy -- and the boy we love to see. He terrorizes little Susie, offers "Candid Opinions" from a neighborhood stand, and questions his parents' authority. "What assurance do I have that your parenting isn't screwing me up?" he demands. Calvin and Hobbes manages to say what needs to be said about childhood and life: "Eww, mud," says Calvin. "Look at this gooshy, dirty, slimy, thick, wet mud ... Bleecch ... Talk about a kid magnet!"

Book Information

Series: Calvin and Hobbes (Book 13)

Paperback: 176 pages

Publisher: Andrews McMeel Publishing; Possible First edition (September 6, 1994)

Language: English

ISBN-10: 0836217691

[A] wry collection. * DAILY MAIL * --This text refers to an out of print or unavailable edition of this title.

Bill Watterson is the creator of Calvin and Hobbes, one of the most popular and well-regarded cartoon strips of the twentieth century. Calvin and Hobbes appeared in newspapers from November 1985 until Watterson's retirement in 1995. Online: gocomics.com/calvinandhobbes/

I caught several Calvin and Hobbes books "Daily Deals" the other day and I'm so glad I splurged and got them for myself. I laughed more reading this book than I've laughed in a long, long time. I love how it's easy to zoom in and out as needed, and slide the panels along. I thank the publisher for formatting that way from the bottom of my warm little heart, I bought myself a comic from one of the big names in publishing and couldn't do that with their book. :(My vision isn't perfect, so being able to zoom in and navigate is a pleasure (I use an older Kindle 7" HDX). I do wish there was a way to bookmark favorite panels to revisit later, though. I'm very happy with this purchase. I enjoyed every minute with Calvin and Hobbes. I'm sure I'll enjoy the other books just as much. I love Calvin and Hobbes. :)

This collection is a joy to read using the free Kindle app on my Xoom tablet and my Chromebook. However, my KindleDX (one of the early e-ink models) can't display this book due to all the graphics. The full-color Sunday strips are bright and colorful, and the dailies appear two at a time in landscape view. This one has lots of Hobbes, plus bits of everything I loved best. Enjoying them over and over will simply never get old.

The book arrived today. I had purchased it add to my Calvin and Hobbes book collection. This book didn't disappoint. It had a number of comics i had been looking for. I liked this book because it offered a mix of black and white comics and colored ones. This book offers a variety of Calvin and Hobbes comics through the years. I was very happy with my purchase.

I remember reading this comic strip from time to time. It came in my grandparents' paper, so I got to read it when I happened to be at their house. I remember liking it, but I didn't really retain any specifics from it regarding why. A couple years ago I watched a documentary and it stirred my interest, particularly the artist's refusal to license it (for movies, toys, etc.). Today it was on sale as an e-book, so I bought 3 books. I wanted to satisfy my curiosity, and so I read one and wow! I get the appeal! Bill Watterson's view of our culture is sharp. He says what I am thinking (though oftentimes in a much more eloquent way) through the mouthpiece of a precocious little

rascal. I love it. I look forward to rereading it often and sharing it with my friends.

More great humor from Bill Watterson about a boy and his tiger... Ever the cynic, Calvin gives us running commentary on every aspect of his life, while Hobbes balances Calvin's wild imagination with a strong dose of reality. If you're looking for a comic strip that tells it like it is from the point-of-view of a mischievous six-year-old boy (who is clearly an "old soul"), this is your book.

It was a good book and I liked it. Keep up the good work and the goodness in the stories!

Calvin and Hobbes is great! Fantastic book.

"Calvin and Hobbes" are the best. I bought the complete set, which includes every strip. They are as follows, "The Days are Just Packed," "There's Treasure Everywhere," "Homicidal Psycho Jungle Cat," "Attack of the Deranged Mutant Killer Monster Snow Goons," "It's a Magical World," and "The Authoritative Calvin and Hobbes." If you're a fan, this is the only way to go.
