# Pablo Escobar: My Father

## Synopsis

THE POPULAR SERIES NARCOS CAPTURES ONLY HALF THE TRUTH. HERE, AT LAST, IS THE FULL STORY. THE INTERNATIONAL BEST SELLER! Until now, we believed that everything had been said about the rise and fall of Pablo Escobar, the most infamous drug kingpin of all time, but these versions have always been told from the outside, never from the intimacy of his own home. More than two decades after the full-fledged manhunt finally caught up with the king of cocaine, Juan Pablo Escobar travels to the past to reveal an unabridged version of his father— a man capable of committing the most extreme acts of cruelty while simultaneously professing infinite love for his family. This is not the story of a child seeking redemption for his father, but a shocking look at the consequences of violence and the overwhelming need for peace and forgiveness.

“While focusing largely on his father, Escobar also includes the grim repercussions the cartel boss’s career had on his family. The matter-of-fact prose serves the material well—when one’s daily life is a surreal blur of excess and danger, there’s no need for embellishment. Publishers Weekly—“Escobar writes earnestly | will satisfy curiosity regarding the tawdry reality of childhood within a criminal family.”—Kirkus --This text refers to the Hardcover edition.

Son of the leader of the Medellín cartel, Pablo Escobar, JUAN PABLO ESCOBAR is an

architect, lecturer, drug policy reform advocate, and writer. He was a subject of the award-winning documentary *Sins of My Father* and lives in Argentina.

Good perspective of Escobar from his sons side of the story.

Amazing story, incredibly courageous. It is unbelievable what this family had and still has to go through. Great respect.

I watched *Narcos* on Netflix and expected the book to be similar. It is more honest and factual with other articles and pieces on Pablo. Very insightful and honest approach. He doesn't try to excuse his father's actions, but rather explain them and give you insight.

In not sure how credible a narrator PE's son is because he was only 16 when his father was killed and I don't know how sophisticated a teenager is in understanding the motives of the leader of an international criminal enterprise, Interesting back stories nevertheless, Just read it with a grain (or shaker) full of salt,

An interesting read. A different point of view about Pablo. Hard to reconcile the two sides of Pablo . A little slow at times.

Very interesting story

Very interesting read. Some parts were a little chunky or weirdly worded but thats probably due to translation.

Great read. Knowing the story from the right source is all I wanted and I was impressed by what I discovered. Simply great
