Customer Reviews

Wow! I didn't there's so much I can learn on Cold Brew Iced Coffee recipes. Book is well written packed with recipes and all recipes are clearly illustrated with directions. I appreciate that the book explains the benefits of brewed coffee and gives plenty of tips in making it an enjoyable experience.

Fun and easy recipes I've never tried before. We live in MN and we're loving the iced coffee drinks

even in the winter months!

Had what I needed and then some. Inspiring and learning. Like recipes and would like more of that kind. Easy and tasty

This is wonderful recipe book. I try different recipe on everyday and taste is soooooo goood !!

This book of recipes expanded my world of coffee drinks. I love cold brew coffee and that's why I invented the Takeya cold brewer. Thanks Mike for introducing all of us to your great ideas.

Looking forward to trying out some of these recipes! Sigh. 11 more words required. That's why I rarely do ratings! Takes too long due to minimum word requirements. Shouldn't require any commentary. Just a quick rating.

did not get this product, I am sorry, I had some fraud on this account, they are working it , I am so sorry.
