The Arab-Israeli Conflict (Atlas Of Conflicts)

Synopsis

Atlas of Conflicts takes readers through the significant battles, strategies, victories, and losses of six critical wars with clear, insightful narration and describes the key combatants and issues involved. Maps on every spread illustrate military action on the ground, in the air, and at sea, and also detail the geopolitical shifts that have resulted from these world-changing struggles. Atlas of Conflicts provides a wealth of primary source quotations and statistical information, along with powerful historic photographs of both military and civilian participants in these wars.
