Follow Your Dream And Live In Bali

Synopsis

If you have spent your vacation in holiday and are now thinking wouldn't it be great to live in Bali, this book is for you. Follow Your Dream and Live in Bali is a practical guide for anyone interested in how they might be able to live and make money in Bali. There are few jobs available to foreigners in Bali, so this book explains how you might be able to make a living, whether it is teaching, starting a business or working freelance. This is not a travel guide to Bali, there are already many great guides available for this. Think of this book as the next step beyond a travel guide which gives an overview of visa requirements, finding work and freelancing.
