# The MacLomain Series: Next Generation Boxed Set (Books 1-5)

## Synopsis

Sizzling romances. Sweeping adventures. Strong heroines. Fierce heroes. Wild magic. Unforgettable battles in medieval Scotland. It all comes together in a best-selling time travel saga unlike any other. Welcome to the Next Generation of Clan MacLomain. **MARK OF THE HIGHLANDER**~ McKayla never could have imagined that the medieval Scottish Highlands she wrote about were anything more than pure historical fiction. But little did she know that her Broun ancestry would prove an irresistible pull for one very remarkable highlander. Colin MacLomain, skilled assassin and fierce warrior, is ready to make right his jaded past. Newly seated as chieftain, he's determined to win over his clan and one true love. But will McKayla, his unknowing best friend, be able to see past his shaded history to the man he's determined to become? **VOW OF THE HIGHLANDER**~ Leslie has no desire to be part of the infamous connection between her Broun heritage and the MacLomain clan. But Fate is finicky and determined to thrust her through time into the path of the laird's brother. Bradon MacLomain makes a vow to save his sister. Unwavering, relentless, he will travel the whole of Scotland to bring her home safely. When sharp-tongued, strong willed, Leslie ends up on his venture, he's soon torn between his commitments and her distracting presence. Passion flares. Sparks fly. Truths are revealed. Only a sweeping journey into the rugged highlands will reveal if a modern day woman and a medieval Scotsman can see through promises made in, *Vow of the Highlander*. **WRATH OF THE HIGHLANDER**~ Cadence wants nothing more than to be part of the unending draw between her Broun heritage and the medieval MacLomain clan. When an unexpected Claddagh ring appears on her finger, the distant past soon becomes her future. Though sure she was brought back in time for another man, the laird's cousin soon draws her eye, then her every thought. Recently widowed by a traitorous wife, Malcolm MacLomain has no use for love. Merciless, he swears revenge on his enemies and embarks for war. When courageous and persevering, Cadence becomes part of his endeavor his broken heart starts to mend. Caught in an unexpected journey of forgiveness and discovery, two worlds collide and heal despite the, *Wrath of the Highlander*. **FAITH OF THE HIGHLANDER**~ Like her cousins, Sheila wears a Claddagh ring meant to connect her Broun lineage with the MacLomain clan. Already having witnessed the strife ravaging the medieval Scottish highlands she's eager to once more be thrust back in time...even if it's into the arms of the enemy. Imprisoned fourteen winters and now first-in-command of the enemy's army, Grant MacLomain must find a way to save all those he cares for. Though under the watchful eye of his master and chieftain, Keir Hamilton, he unleashes his plan the moment he connects with a lass from the future. Through hardship, forgiveness and even acceptance, Sheila and Grant struggle to push past their abused hearts and the war that

divides them in, Faith of the Highlander. PLIGHT OF THE HIGHLANDER~ With the dragon blood of her Viking ancestors coursing through her veins, Torra MacLomain has long tried to keep her Scottish clan safe. But a ruthless enemy has been watching...waiting. As Keir Hamilton launches his plan to possess her, many secrets come to light including her passion for a certain highlander. When Colin MacLeod's undying love for Torra is discovered, he's given an ultimatum. Watch his lass die a brutal death or defect from his clan to lead the Hamilton armies. Four winters later and in charge of Keir's warriors, Colin battles in an ongoing war against the MacLomains. Yet the worst has come to pass. Torra is trapped by Keir. Now Colin must save her. Mysteries are revealed. Freedom is found. But most importantly, a love long repressed at last rises up determined to conquer all. 1000+ pages

## **Customer Reviews**

There is a humongous tapestry, depicting an old Viking scene, hanging in the MacLomain castle, that figures into several of Ms. Purington's stories. The mastery and magic in this tapestry is incredible, but have nothing on that wielded by the author in the writing of these tales. While I might come back to write individual reviews for each book, the collective works, as a whole, should really be praised. My particular reading journey started with "Viking King". By chapter 4, I realized that I

would HAVE to read the others first, and then read the Viking books. Coincidentally, I had acquired a download deal via BookBub.com, a boxed set of the original series, starting with "The King's Druidess" and working through Iain's generation of MacLomains. I have not been able to stop, or even slow my reading! I read the original boxed set, followed by "The Early Years" series, then "The Next Generation" series, and "the Later Years" books, only to find that the latter are still being written. So, I went back to the Vikings... Ms. Purington is a genius story teller! The books and characters are SO expertly interwoven, that I have had to go back and reread sections of the MacLomain stories, to figure out exactly how magically she connected them. MANY old friends appear to be part of the Viking series. I am astounded and eager to read them, and can only hope that Ms. Purington's well of creative ideas remains full. These series are highly addictive.

Sky Purington has been added to my list of favorite authors. Her MacLomain series are numerous, yet each is distinctly different and each is full of twists and suspense. The Next Generation follows the adventures of the younger generation of the Brouns and MacLomains. I found it is best to read each series in order (The MacLomains the Early Years, The MacLomains, The MacLoamains Next Generation) as each references characters in the earlier works. However, each book can stand alone.

I liked the first 4 books of the series but could barely finish the 5th.. It was so confusing with all that time travel back and forth, became really crazy with all the magic and the dragon, boring with constantly going over and repeating from the first 4 books and drawn out love scenes over pages and pages. Some baby oak tree I could not figure out. It was much too drawn out and because I never like to stop reading in the middle of a book ,I just skipped over a lot of it , just to get to the end. This was the first series I read by her and I really liked the first 4 books so I guess I will read some of the other books from her in the future.

Loved it. Have already read Viking Kin and can't wait for the next series. I've read all the MacLomain books at least twice, always something new to discover. Addicted and being of Scottish decent doesn't hurt.

Lengthy story. Great characters mostly believable. Magical fun. Love of family, freedom and goodness will conquer all. Then and now.

I love to see characters grow and change. Time travel gets me every time, because who wouldn't like to see something of history. I know this is historical fiction, but the visual descriptions are pretty spot on. Thank you, Ms Purington for bringing lives into being.

Very entertaining, a page turner for sure!

I loved the first book after that I was hooked, all five books was worth it, love story, time travel, you can not read one book, without wanting to see what's going to happen in the next. Great read.
