The Puzzle Society is the Web's premier source for challenging, professionally constructed puzzles and games. Updated daily and boasting a gaming archive of more than 8,000 puzzles, The Puzzle Society offers more than 70 nationally syndicated puzzles, including the Washington Post Crossword, Los Angeles Times Crossword, Universal Crossword, Universal Jigsaw, and Daily Jumble.

This is a fun puzzlebook. I get frustrated with regular crosswords, because I can never get every clue and end up looking at the answers. Hate that. These puzzles are a combination of crosswords and jumbles, the jumbles being the answers to the clues for the crosswords. Once the puzzle is

done, there are letters within the puzzle for a separate jumble. Not too difficult, but not always easy either. I love the Pocket Posh books because they are so portable. Highly recommend.

Bought it for the plane trip....enjoyed it

This is a good way to pass time and stimulate the brain while away from home. Neither too easy nor too difficult. Good deal for the price.

I LOVE Jumble puzzles, and when I saw that this little book was a combination of Jumble and Crosswords, I had to have it! The puzzles are fun and make you think (good for the brain). I will be purchasing more of these Posh Posh books. You can carry them ANYWHERE!!!!

If you love puzzles and Jumble, you will love these books. And they are a convenient size to take anywhere

Bought this for a friend who enjoys crosswords and she likes it. She also complimented the neatness of the book and the fact that it is small and easy to carry anywhere,

This little (hardcover) book of Jumbles fits into your pocket and is great to take on trips, or, even to work. I take it with me when I go to Las Vegas!

Purchased this for a trip & my husband loved it. Small & EZ to mark your page with an elastic insert.
