Synopsis

SPECIAL PRICE FOR ALL VOLUNTEER COACHES! (Normally \$4.97) One of the biggest problems across the nation is that coaches are trying to be too detailed. Kids, especially at the T-Ball age, aren't ready for all the details. Think about it, how many years does it take a student to become a doctor?! It's a huge process! If you are looking for how to teach fundamentals, lots of drills and practice plans, communication tips, all oriented towards kids having fun, which is a must if you want them to continue to play & enjoy the game of baseball!! Let's Play Ball!!

This is a good book if you are new to coaching youngsters, but there are better, more detailed ones out there.

I really liked this book. I'm preparing to coach my son's T-ball team as a volunteer coach and I feel a lot more confident after reading this. And it wasn't 500 pages so I was able to get through it on a busy schedule.
