One Season In The Sun (Open Door)

Synopsis

These are the tales of one-season wonders. The history of baseball is filled with forgotten names—players who are good enough to reach the top of the sport but who, for any number of reasons, land at the edges of the game. Some spend a week or two in the major leagues and then disappear back into the minors. Many leave the sport for good. Still, for an afternoon, a week, or a couple of months, these men stood on the field alongside the best players in The Show. Here are gripping stories of their brief moments in the sun. Praise for Joe Schuster's *The Might Have Been*: "Surely destined to join the ranks of transcendent baseball novels." —Richard Russo

The Gemma Open Door Series features storytelling by best-selling authors and important voices for new readers. A story doesn't have to be big to change our world. —

Customer Reviews

Surely [The Might-Have-Been is] destined to join the ranks of transcendent baseball novels. [br] Richard Russo, author of *Empire Falls*"Far from being just about baseball, *The Might-Have-Been* is about the persistence of ambition and dreams in both sports and civilian life. This is a very telling novel about American pastimes and American identities, well worth reading. [br] Charles Baxter, author of *The Feast of Love*"Surely [The Might-Have-Been is] destined to join the ranks of transcendent baseball novels." [br] --Richard Russo, author of *Empire Falls*"Far from being just about baseball, *The Might-Have-Been* is about the persistence of ambition and dreams in both sports and civilian life. This is a very telling novel about American pastimes and American identities,

well worth reading."[br] --Charles Baxter, author of The Feast of Love
