Customer Reviews

"A magnificent collection of essays by a stellar class of authors. The book is a timely resource for persons who want to assess the state of academic theology not only in the American academy but also in public spaces."-"The Journal of Religion "This book represents a fine collection of texts illustration the convergence of the three themes mentioned in the title."-"Charron, May 1998 "Insightful...worthwhile...."-"Religious Studies Reviews, January 1999 "This book is an informative, up-to-date introduction to liberation theology in its struggles with postmodern reality and postmodern theories."-"Journal of the American Academy of Religion, Winter 1998 "This collection raises important questions about the future of both Liberation theology and postmodernity, and, by association, Hispanic/Latino theology."-Religious Studies Review

Liberation Theologies, Postmodernity, and the Americas provides a spirited debate on vital issues in religion, philosophy, and ethics. This renowned group of scholars explore liberation theologies in light of discourses of emancipation, revolution, and utopia. Engaging postmodernism's suspicion of grand narratives, these essays consider what the postmodernism/liberation debate means for strategies of social and political transformation.
