David Bowie I Was There

Synopsis

David Bowie I Was There features more than 350 eyewitness accounts from fans who saw him live in concert, from colleagues who played music and worked with him and from friends. From his early shows in Bromley - through the 182-date Ziggy Stardust Tour and the 12 other major tours across the world - this is a unique view of the David Bowie story. It places him in the context of the times he lived through and his place in the lives of those who saw him. The book features a wealth of fascinating stories, memorabilia and photographs that have never been published before - making this book a unique portrait of one of the most influential musicians of this era.
