"Come Experience Branson"

I collected a ton of info (mostly pamphlets and word of mouth info) to plan my family's trip to Branson. Yet I was frustrated because I felt I wasn't getting the whole picture. Enter Dennis Murphy's book. What a wonderful, comprehensive guide! Since Branson naturally changes a lot from year to year, Murphy should regularly update this book, maybe even naming each one by the year? The only other suggestion I have is that next time the publisher needs to hire a proof reader before sending this book to print. There are a lot of errors, and while I was reading it, they were somewhat distracting. Nonetheless, the information is priceless!
