Dreams Of A Highlander (Arch Through Time Book 1)

Synopsis

Darcy Greenway has no time for love. As a dedicated veterinarian her career and her patients come first. But since the death of her parents she's been running, searching. She just doesn't know what for. On a much-needed vacation to Scotland she walks under a natural archway on the shore of a loch and finds herself catapulted into the sixteenth century...and right into the middle of a clan war. Stranded in a world of danger and passion, Darcy finds herself drawn to Quinn MacFarlane, the brave Scottish warrior who swears to protect her. But Quinn has secrets of his own. Haunted by his failure to save his brother, his vow might be the very thing that keeps them apart. Because he'll protect her from everyone - even himself. With enemies closing in, Darcy must make a choice. Should she return home or should she risk her heart on her dream of a Highlander?

Customer Reviews

A fun story with a bit of danger and some sex. How a 21st century girl meets a 16th century man. It was a most enjoyable read. I love the way she threads her story around day to day life and gives her characters the chance to live in the book. I think you will really love it.

I really liked this story of time travel. I loved the independence and feistiness of Darcy. Quinn is the desirable and honorable Highland warrior that so many of us dream of! Liked this book that I plan to get the next one in this series! Recommend!

Fun breezy book. Easy quick read. HEA. All good. I love that the hero is so honorable..The heroine has a learning curve

I love a good story line and characters with depth... and a WEE bit of steam. Nicely done; I'm looking forward to reading about Darcy's friend.

Fun Highland time travel novel that I found verra entertaining! Veterinarian Darcy Greenwood travels back in time to the sixteenth century Scottish Highlands. There she stumbles upon warrior Quinn MacFarlane and all sorts of adventures ensue. With lovely characters and a compelling story-line, this time travel romance delivers a captivating tale. Looking forward to the next in this series.

Wonderful tale all around. I enjoyed their journey in getting to know each other. It didn't feel rush. The only reason it's not five stars, I would have loved more love scenes and detailed ones. Other than that it rocked!

I enjoyed this book very much and it kept my interest to the very end. I recommend this especially if you enjoy a time travel romance,

Darcy is supposed to be an American, yet her vocabulary suggests otherwise. I've never used the word "queue" when referring to a line of people. That's not a big deal though. My complaint with this book is sixteenth century people using terms like "perks" and "to die for" . Seriously? It ruins the book, in my opinion, when authors use modern phrases. I really have a hard time finishing the book. Stick with the program! Remember? Sixteenth century!
