Customer Reviews

This book is a practical joke: there is one letter on each page, spelling out the word W-A-R-S-A-W. I got my money back. It's probably one of those east-European scams to dupe gullible travelers. The book is hyped on as "the only guide to Warsaw you'll ever need." As it happens, I just returned from Warsaw and the city was great for tourists and cheap, with plenty of art and music. -Tc
