I am a serious Bible lover and Church attendance. I have learnt so much from studying Watchman Nee's work. He will ever live in the words he wrote and this is required reading for any serious bible student.

This book is filled with revelation. I have read it before but it is one you must reread several times to get it all. It is small (only 5 chapters) but very deep. We are currently using it for a Bible study on prayer. If we could really "get" the truths offered here and live it, the kingdom of God would be advancing rapidly...

Highly recommend any Watchman Nee book. There is a need for Christians to read some of these older authors. There is a lot to be learned from them. Recommend any Christian or seeker to read this author.

excellent

As a church we are so behind on what we are suppose to be doing for God... Another great

teaching tool to use.

It was very informative and helpful. Thank You

I was greatly disappointed with this book.

Came in a reasonable time. Was exactly as advertised.
