Customer Reviews

Ok, I got this book as well as the ultimate guide to Asheville and Western NC today in the mail. First impressions for both of these books was to throw them in the trash. (I am venting my anger here a due to my disappointment and frustration) Why can't someone just write a travel guide without all the fluff?! For your average Joe who is looking for a go here, see that, these are probably not for you. If this book was condensed down to 50 pages I would have preferred that greatly. If a future travel writer reads this PLEASE, PLEASE, PLEASE, keep it simple! stop thinking your gonna be the next best seller for Christ sake! I have a trip to plan, and don't need to spend a month reading a bunch of BS.

I'm very satisfied with this purchase : book in perfect condition, very fast delivery. Thanks.
