When a tree takes root, it's not long before the action is mirrored above ground. New branches shoot out. Green, healthy leaves appear. Even the trunk grows sturdier, more storm-resistant.

Because of the roots, the tree becomes firm and fruitful. And so it is with you. The deeper you root your life in Christ, the stronger you'll become. This first book in The 2:7 Series is designed to help you build a strong foundation for your Christian life through enriching Bible study, Scripture memory, and group interaction. With its biblical and practical approach to discipleship, this workbook will yield long-term, life-changing results, such as:

- A closer relationship with God
- A keener sense of priorities
- Renewed concern for non-Christian friends
- A growing camaraderie within your study group

The 2:7 Series offers approaches for strengthening your own life in Christ and for helping others move closer to God.

- Book 1: Growing Strong in God's Family
- Book 2: Deepening Your Roots in God's Family
- Book 3: Bearing Fruit in God's Family

The Navigators is an interdenominational, nonprofit organization dedicated to helping people know Christ and make Him known. Navigators have invested their lives in people for more than seventy-five years, coming alongside them life on life to study the Bible, develop a deepening prayer life, and memorize and apply Scripture. The ultimate goal is to equip Christ followers to fulfill 2 Timothy 2:2 "to teach others what they have learned. Today, tens of thousands of people worldwide are coming to know and grow in Jesus Christ through the various ministries of The Navigators. Internationally, more than 4,600 Navigator staff of 70 nationalities serve in more than 100 countries.

I lead a couple of groups with this book. The Navigators were out of it, and I needed it at once. I am trying to get my church into this program. I took this course over 25 years ago, when it was designed for a 2 year program and loved it. As a new believer, this was the best that could have happened to me. I became rooted in the work and ready to do what God commanded us to do, "Go and make disciples..." This program gets you ready for this, I just regret that it is a one year program now instead of two. Scripture memory, is awesome. The best thing that I ever did. Once I memorized all the verses, (65)they got me through all kinds of issues. It is nice to be able to pull a verse from memory at the right moment of need. This is one of the benefits of this program. You want to establish habits in your life, like daily quiet time, daily prayer, communion with God. This is an excellent tool to get you there.

This was the very first small group Bible Study guide I ever used, and it was an excellent resource for our VERY small group, comprised of myself and one other person. We were both very new to Bible Study and "Growing Strong" was just right for us in so many ways. It was challenging and interactive, but perfect for beginners in the sense that it was accessible and not rigorously theological. It provided an excellent foundation for us and we found it to be stimulating to the extent that we eagerly looked forward to meeting each week to see what we would learn next. It came highly recommended by a mature Christian friend and it proved to be worthy of his praise. I have been in Small Groups off and on for 19 years now and I thank God for giving me this great resource to get me started and begin to truly grow in my walk with Him. God used "Growing Strong" to give me an excitement and hunger for His Word that continues to this day, and for that I will be eternally grateful!!!

My wife went through the 2:7 series over three decades ago; and the habits she developed through

the study have stayed with her all these years. While many of the same habits were part of my discipleship life-style, going through this study now with others is reinforcing them for both my wife and me. And these habits are now being built into the others who are participating in the study with us. I recommend this study for any small group that is serious about building, or reinforcing, a foundation for lifelong discipleship of Christ.

My wife and I started taking this series over 30 years ago, and then continued facilitating it through at least 3 updates with adults and teens with exciting results. The current 3 books are excellent for helping Christians who are either new, or are old, but have been in churches that did not encourage their members to read the bible for themselves, to grow in their relationship with our Lord. This book 1 requires about an hour of homework a week, and it is designed to encourage attendees to start reading their bibles daily. Attendees practice sharing what they have read in the bible with the group, and develop in many other areas as well.

Great book for grounding yourself. Gives you a desire and love to meet with God each day. Great for small groups to bond and encourage one another in the faith.

NLC has just started going through this book at our Bible study. Awesome material.

2:7 series is fantastic we use these books a lot

almost finished with this study. 6 women and all love it.
