# Oxford Children's Rhyming Dictionary

## Synopsis

The Oxford Children's Rhyming Dictionary is the perfect tool to help children write their own poetry. The alphabetical list of words that rhyme with an index of sounds make it simple to find a rhyme and reinforce spelling skills. These are accompanied by lively illustrations, and amusing and inspiring poems by John Foster. At the back of the book engaging activities are included, which explain different types of rhymes, from raps and chants to limericks and couplets, to help children understand different varieties of poetry. These are combined with activities, tips and prompts to encourage children to write their own verses. Developing language and creative writing skills, supporting an emphasis on reading and writing, the Oxford Children's Rhyming Dictionary is the essential guide to rhyming for children.

## Customer Reviews

This is an excellent resource that will instil confidence into children so they can write poetry. \*  
Parents in Touch \*

Kids enjoyed using these in my creative writing class.

I love it
