Hunting In Bruges (Hunters' Guild Book 1)

Synopsis

Finalist for the 2017 Raven Award for Best Urban Fantasy. The only thing worse than being a Hunter in the fae-ridden city of Harborsmouth, is hunting vampires in Bruges. The medieval city of Bruges is quaint, but the local Hunters' Guild is understaffed, the canals are choked with dead bodies, and there's no shortage of supernatural predators as likely suspects. On second thought, maybe Bruges isn't so bad after all. With a desire to prove herself, protect the innocent, and advance within the ranks of the Hunters' Guild, Jenna LeHane hits the cobbled streets of Bruges with blades at the ready. Someone, or something, is murdering tourists and dumping their bodies in the city's scenic canals. With the help of a mysterious stranger, Jenna begins to piece together clues that are dotted throughout the city like blood spatter. Determined to stop the killings, Jenna delves into a bloody local history that only raises more questions--but some secrets are best left buried. Jenna must put her combat training to the test as she struggles to unearth the truth about an ancient enemy. "I quite enjoyed the tale."-Jana Oliver, award-winning author of The Demon Trappers series "[E.J. Stevens] remembered that vampires are supposed to be flat out scary...highly recommended."-James A. Moore, Bram Stoker Award nominated author of the Seven Forges series Hunting in Bruges is the first novel in the Hunters' Guild urban fantasy series set in the world of Ivy Granger. The world of Ivy Granger, including the Hunters' Guild series and the award-winning Ivy Granger Psychic Detective series, is filled with action, horror, mystery, magic, suspense, dark humor, quirky characters, bloodsucking vampires, flirtatious demons, sarcastic gargoyles, sexy shifters, temperamental witches, psychotic faeries, and snarky, kick-butt heroines.

Customer Reviews

Was a great story. Looking to read the next story. Loved the story and characters. Sad that I could not find the next one! Hurry up and finish it ! Thanks and read on! Ha!

I picked this book up because it sounded interesting, and was free. I definitely got good value for my choice.

I like the Ivy Granger books, but I loved this book. It shows a world of black and white where most things are gray. I really like Jenna. She is a very compelling heroine. And Ash is a mystery. :)

Engaging story from the get go action is fast paced characters are well written loved this story

This is a fast paced book told in the first person. It keeps the action flying. Well worth reading

Good book. Had a hard time putting it down!

A great spinoff from the Ivy Granger series. With Jenna of the Hunter Guild starring in a fantastical Belgian romp things are just as crazy and hilarious as they are back in Harborsmouth.

Excellent book continues with characters of Ivy Grainger series. look forward to more books in the Hunters guild books and Ivy Grainger series
