Customer Reviews

It is a required book for band, so no opinion on quality of content. It is very nice and convenient though to be able to order this online with prime shipping. Whenever I go to the music stores - they are out because of the school rush.

Bought for 7th grade band

Good price

Truly a life saver for my daughter. She has to use this for her All District competition, and has been invaluable in preparing her.

as described.

Purchased this for my 7th grader to use at school, so far so good. She has used during summer band, but will use it solely during the school year.

Just as expected with great shipping time. Thanks!

Awesome Product!
