This hymnal, first published in the 1970s, contains the best collection of old hymns that I've seen compiled in one volume. Like many hymnals published more recently, it also includes some worship songs that were new and modern at the time of the original publishing- most of which haven't stood the test of time- but the majority of these hymns are classics. If you judge a hymnal by how many stanzas the hymns have- most of these have at least 4. My family combines this hymnal with the Worship Hymnal published by LifeWay; together they have just about every hymn and worship song that we love to sing.

A lovely collection, with traditional hymns that I haven't been able to find in other hymnals

Great loved it!

I thought I already rated this. What's to say? It is a book I wanted and meets expectations as a nicely cared for used book.

I recieved the book and it was in fairly decent condition. A picture on the product description may have helped as the binding was a different color than I expected, and the inside looked slightly different than the ones I had been used to, but that was a minor issue. However, it may have been due to the cold temperatures during transit, but a couple weeks after recieving the book, the binding cloth inside the spine completely detached from the pages as if it had never been glued properly. Can't really say that any one thing is to blame for that - after all, this book was published in 1976 and was in great condition considering its age. Overall, I'm glad I made the purchase, and the price was great!

This hymnal contains wonderful old hymns, is well indexed, locates specific songs by first line and titles, and organizes them by themes. Delivery was prompt and as advertised.

New Church Hymnal was the hymnal that was in the pews of my conservative Baptist church growing up. It brings back such warm memories of me growing up in the church with my family and extended family singing the Lord's praises with hearty voices and desiring souls. Many of these songs contained in this volume still serve as the soundtrack for my journey of faith and my Christian walk.
