I love this book and buy it for special people in my life

Have given several copies to friends. Good stuff for our day.

When it comes to Christian authors, Tozer is absolutely the best! He will inspire you to have a closer walk with Jesus!

I found this in my dad's library after he passed away in 2014. He was a pastor, and someone had given it to him as a gift in the late 70's when it came out. I have found it surprisingly applicable to our present culture. I love the way his thoughts start at a level we can all understand and then he takes

it deeper than you might have ever gone on your own. His style really helps you to understand why you believe what you believe, especially with difficult biblical concepts.

Received as described. i need it , professional service. just fine. I received this product on time and in very safe packaging. Cutting a watermelon was the first opportunity to use it.It sliced through the whole melon easier than any product I've owned before. Can't beat that. I'm happy.
