ISBN-13: 978-0762580019

Package Dimensions: 10.9 x 8.4 x 0.3 inches

Shipping Weight: 10.4 ounces

Average Customer Review: 2.1 out of 5 stars 3 customer reviews

Best Sellers Rank: #2,705,449 in Books (See Top 100 in Books) #66 in [Books > Travel > United States > Maryland > Baltimore](#)

## Customer Reviews

Due to a shrunken book size yet no evident increased sharpness of printing, the print is now difficult to read throughout, compared to older ADC maps I've enjoyed. I checked against sample type in Microsoft word. The font for street names now is equal to MS word size 6 at "life" size. The type is sometimes in bold, mostly not. My eyes were straining with hundreds of place names at that size, along with poorly contrasted colors throughout the pages. There was an occasional uncanny feeling of motion while looking at these maps. Some optical mayhem - for me, the pages have now become way too busy per square inch. This is a shame, as I've always admired the ADC map series. It really deserves only one star, it's truly unusable for me...but I'm giving 2 out of fondness for prior editions. But I'm returning this one, today.

Over the years, we have owned many copies of the ADC maps of various metro areas. This very small book is simply awful. The print is so small that it can barely be read. Be sure to buy a magnifying glass so that you can read these maps! Bring back the old larger books!

Did not serve my purpose very well. Sorry
